(iv) Level IV non-malignant claim, which requires either a diagnosis of a Bilateral Asbestos-Related Nonmalignant Disease or certification by the Claimant that the Claim was previously paid by the Manville Trust as a Manville level 1, 2, 3 or 4 non-malignant claim (“Level IV Claim”).

(b) Each Claimant must elect on the Claim Form whether to be included on the service list for receiving pleadings, motions, objections and other documents filed with the Bankruptcy Court.

(c) Each Claimant must indicate on the Claim Form whether such Claimant, such Claimant’s representative or such Claimant’s counsel has an electronic mail address to which all correspondence, notices and pleadings should be sent.

(d) Each Claimant must state on the Claim Form whether such Claimant has submitted a Claim against the Statutory Direct Action Settlement Fund and/or the Hawaii Direct Action Settlement Fund, and whether Claimant has received any payment or distribution in respect of such Claim.

6.5. **Ordering of Claims.** The Administrator will order on a first in, first out (“FIFO”) basis the Claim Forms that are submitted to the Administrator for processing. A Claimant’s position in the FIFO queue will be determined by the later of (a) the date that the Administrator receives the fully completed Claim Form, or (b) the date that the Administrator receives the Processing Fee if applicable. To the extent that the Administrator receives more than one Claim Form from more than one Claimant on the same day, the date of diagnosis of an asbestos-related disease shall govern each such Claimant’s position in the FIFO queue, with the earliest date of diagnosis placed first in the FIFO queue and the remaining Claims placed in the FIFO queue in chronological order after the earliest such Claim.

6.6. **Timing of Review.** The Administrator shall complete the review of all submitted Claim Forms within one hundred eighty (180) days of the Claim Form Deadline (the “Claim Form Review Period”).

6.7. **Qualifying Claims.** A Claim shall constitute a “Qualifying Claim” only if each of the following is satisfied:

(a) The Claim Form is either:

(i) submitted to the Administrator by or on behalf of a Person listed on Exhibit A attached hereto and as referenced in the Common Law Settlement Agreement as Exhibit C no later than the Claim Form Deadline established in Section 6.2, or

(ii) submitted to the Administrator no later than the Claim Form Deadline established in Section 6.2, along with a filing fee of one hundred fifty dollars (\$150.00), which shall be refundable upon determination by the Administrator that the Claim is a Qualifying Claim, by or on behalf of a Person who could have filed a viable Common Law Direct Action lawsuit against Travelers that directly or indirectly was based upon, arose out of or related to Travelers’ insurance relationship with Manville. For purposes of this Section 6.7(a)(ii), a viable Common Law Direct Action lawsuit against Travelers shall be deemed established by submission to the Administrator of (A) deposition testimony or documentary evidence showing that the Person worked at a job site at which Travelers conducted an asbestos safety inspection during the period in which the Person worked at that job site, and (B) deposition testimony or documentary evidence showing that a Common Law Direct Action lawsuit against Travelers would not have been barred as of June 19, 2002 by the applicable statutes of limitations for such claims;

(b) The Claimant submits to the Administrator a completed and executed Release; *provided, however*, that this is not required as to any Claimant who submits such a Release to Travelers or to the Administrator prior to the establishment of the Common Law Direct Action Settlement Fund;

(c) The Claimant fully completes the Claim Form including:

(i) stating the Claim is a Level I, Level II, Level III or Level IV Claim in accordance with Section 6.4(a);

(ii) stating whether such Claimant is filing a Claim pursuant to Section 6.7(a)(i) or Section 6.7(a)(ii) of these FDP;

(iii) electing to be included on the service list for receipt of all pleadings, correspondence and notices or designating an attorney or other representative for such service;

(iv) stating whether such Claimant or such Claimant's attorney has an electronic mail address for receipt of documents and, if so, providing such electronic mail address;

(v) certifying whether such Claimant has submitted a Claim against the Statutory Direct Action Settlement Fund or the Hawaii Direct Action Settlement Fund;

(vi) certifying that the Claimant has not received a payment or distribution from the Statutory Direct Action Settlement Fund or the Hawaii Direct Action Settlement Fund, and that such Claimant shall notify the Administrator in writing of such Claimant's receipt of any such payment or distribution within ten (10) days of receipt thereof, in which case such Claimant's Claim shall not constitute a Qualifying Claim;

(vii) containing the signature of the Claimant or the Claimant's representative; and

(viii) containing the signature of the attorney for the Claimant or for the Claimant's representative and, if applicable, the certification of such attorney that the original Claim Form and Release will be maintained by such attorney for a period of five (5) years after the Claim Form Deadline.

6.8. For those Claims that the Administrator determines not to be Qualifying Claims, the Administrator shall inform the Claimant (or the Claimant's attorney) of the reason(s) for such determination by electronic mail, unless the Claimant (or the Claimant's attorney) does not have an electronic mail account, in which case notice shall be by regular mail. Within twenty (20) Business Days of the date of the notice, a Claimant (or Claimant's attorney) so informed shall either (a) cure any deficiencies in the Claim Form and resubmit the Claim Form to the Administrator, or (b) (i) inform the Administrator by electronic mail or regular mail that the Claimant is requesting binding, non-appealable arbitration and (ii) submit an Arbitration Deposit to the Administrator. The sole issues available for consideration in such an arbitration are set forth in Section 8.2. To the extent that any Claimant fails to make one of the elections in subsections (a) or (b) herein (or fails to remit the Arbitration Deposit, if required) within twenty (20) Business Days of the date of the Administrator's notice, such Claimant's Claim shall be denied. The Administrator shall review any timely resubmitted Claim Form within thirty (30) days of receipt and make a determination as to whether it constitutes a Qualifying Claim. To the extent that the Administrator determines that the timely resubmitted Claim does not constitute a Qualifying Claim, the Administrator shall inform the Claimant (or the Claimant's attorney) by electronic mail or regular mail of the reason(s) for such determination (the "Second Notice"). Within twenty (20) Business Days of the date of the Second Notice, the Claimant (or Claimant's attorney) shall inform the Administrator by electronic mail or regular mail that the Claimant is

requesting binding, non-appealable arbitration and shall submit an Arbitration Deposit to the Administrator. To the extent that any such Claimant (or Claimant's attorney) fails to so inform the Administrator and remit the Arbitration Deposit within twenty (20) Business Days of the date of the Second Notice, such Claimant's Claim shall be denied.

6.9. All Claim Forms, Releases, communications, or evidence submitted to the Administrator are to be treated as confidential and privileged, and shall not be released to any Person or Entity without approval of the Bankruptcy Court. Nothing herein shall be construed to entitle any Person or Entity to discovery from any other Person or Entity, nor shall any provision herein be cited in support of any request for discovery in any proceeding.

7. PAYMENTS FOR QUALIFYING CLAIMS

7.1. **Allocation of Common Law Direct Action Settlement Fund.** Within sixty (60) days after the expiration of the Claim Form Review Period, the Administrator shall allocate the funds in the Common Law Direct Action Settlement Fund for payment of all Qualifying Claims consistent with Section 7.3. This allocation shall be based upon the funds available in the Common Law Direct Action Settlement Fund, the number and disease category of Qualifying Claims, and the Claim Reserve established in accordance with Section 7.2.

7.2. **Claim Reserve.** Prior to making any payments on Qualifying Claims, the Administrator shall establish a reserve from the Common Law Direct Action Settlement Fund (the "Claim Reserve") for Claims (1) that the Administrator has determined are not Qualifying Claims and as to which the Claimant has timely elected arbitration and remitted the Arbitration Deposit, and (2) as to which the Claimant has timely submitted a Claim to the Statutory Direct Action Settlement Fund or the Hawaii Direct Action Settlement Fund that has not been resolved (in either case, a "Reserved Claim"). The amount of the reserve for each Reserved Claim shall equal the pro rata share of the Qualifying Claim against the Common Law Direct Action Settlement Fund if the Administrator were to deem such Reserved Claim to be a Qualifying Claim.

7.3. **Calculation of Qualifying Claim Payment Amount.** The Administrator shall calculate the amount to be paid on account of each Qualifying Claim by disease category (Level I, Level II, Level III and Level IV) utilizing the following formula:

(a) categorize the Qualifying Claim for payment on the basis of the most serious asbestos disease for which the Claimant has been diagnosed and is claiming;

(b) calculate the total number of Qualifying Claims in each category (Level I, Level II, Level III and Level IV);

(c) multiply the total number of Qualifying Claims in each category by the points ascribed to that category as set forth below;

(d) add the numbers obtained for each category in subsection (c) to provide a total for all categories;

(e) divide the amount in the Common Law Direct Action Settlement Fund less any Claim Reserve by the number obtained through the calculation in subsection (d) to establish the payment amount for each Qualifying Claim point; and

(f) multiply the number obtained through the calculation in subsection (e) by the Qualifying Claim points to establish the payment amount for each disease category.

The following table shall apply for purposes of the calculation to be performed pursuant to this Section 7.3:

<u>Category</u>	<u>Qualifying Claim Points</u>
Level I Claim	11
Level II Claim	4
Level III Claim	2
Level IV Claim	1

7.4. Payment of Qualifying Claims.

(a) Within sixty (60) days after the calculation of the Qualifying Claim payment amounts in accordance with Section 7.3, the Administrator shall make an initial distribution to each Qualifying Claimant of the amount calculated pursuant to Section 7.3 for such Claimant's Qualifying Claim. Such initial distribution shall be made from the Common Law Direct Action Settlement Fund less the Claim Reserve.

(b) Upon the payment of all Qualifying Claims, the completion of all of the arbitration proceedings and the payment of Claims determined to be Qualifying Claims through the arbitration proceedings, to the extent that any funds remain in the Common Law Direct Action Settlement Fund or the Claim Reserve, such funds shall be distributed pro rata to all holders of Qualifying Claims. To the extent that the pro rata payment on any Qualifying Claim under this Section 7.4 is less than forty dollars (\$40.00), such amount shall be donated to The Mesothelioma Applied Research Foundation.

7.5. Interest, Damages, Attorneys' Fees and Expenses. Pre-judgment interest, post-judgment interest, interest on deferred payments, or any other type of interest, delay damages, punitive damages, exemplary damages, attorneys' fees or expenses shall not be paid or allowed

to any Claimant. Nothing herein shall effect any arrangement between a Claimant and such Claimant's counsel with regard to attorneys' fees and expenses.

8. BINDING ARBITRATION

8.1. **General.** A single arbitrator (the "Arbitrator") shall conduct binding, non-appealable arbitration required hereunder. The Arbitrator shall be selected by agreement of the Administrator and the Claimant from a list of arbitrators provided by the Administrator.

8.2. **Issues Arbitrable.** The sole issues arbitrable are: (a) whether the Claim constitutes a Qualifying Claim; (b) whether the Claimant submitted the Claim to the Administrator prior to the Claim Form Deadline set forth in Section 6.2 herein; and (c) whether any portion of the Arbitration Deposit should be returned to the Claimant.

8.3. **Deposit.** Along with the Claimant's written request for arbitration in accordance with Section 6.8 above, the Claimant shall pay the Arbitration Deposit to the Administrator. The Administrator shall deposit the Arbitration Deposit in the Administrator Expense Fund.

8.4. **Fees and Expenses.** The reasonable fees and expenses of any Arbitrator selected to conduct an arbitration with respect to a Claim shall be paid from the Administrator Expense Fund. The Claimant and the Administrator shall pay their own attorneys' fees and costs in connection with such arbitration.

8.5. **Argument.** All submissions shall be in writing, and there shall be no oral argument during the arbitration unless the Arbitrator determines otherwise in his or her sole discretion.

8.6. **No Discovery.** Neither the Administrator nor the Claimant shall be entitled to conduct any discovery for or in connection with the arbitration, and the Arbitrator shall have no authority to permit or order discovery.

8.7. **Submissions to the Arbitrator.** On or before the date that is thirty (30) Business Days after the date on which the Administrator and the Claimant select the Arbitrator, the Administrator and the Claimant shall submit written memoranda not to exceed twenty (20) pages in length (excluding exhibits) to such Arbitrator, with a copy of such submission to be provided to the opposing party. The Arbitrator may extend the deadline by agreement of the parties. All evidence submitted to the Arbitrator shall be made by sworn affidavit or by declaration subscribed as true under penalty of perjury under 28 U.S.C. § 1746. The Arbitrator may require the submission of any additional information or evidence that the Arbitrator determines is necessary or desirable for a proper evaluation of the issue.

8.8. **Decision.** The Arbitrator shall render a decision as soon as practicable based upon the written submissions from the parties, but in no event later than forty-five (45) days after the date of such submissions. In the event that oral argument is heard, the Arbitrator shall render a decision as soon as practicable after the completion of such oral argument, but in no event later than forty-five (45) days after the date such oral argument is completed.

9. TERMINATION OF COMMON LAW DIRECT ACTION SETTLEMENT FUND

9.1. After the final review, determination and payment of all Claims timely submitted to the Administrator, and after the conclusion of all arbitration proceedings conducted pursuant to Section 8 herein, the Administrator may file a motion with the Bankruptcy Court, in accordance with Section 3.1(d) herein, seeking authority to terminate the Common Law Direct Action Settlement Fund.

9.2. Upon the Bankruptcy Court entering an order authorizing the Administrator to terminate the Common Law Direct Action Settlement Fund, and such order becoming a Final Order, if any funds remain in the Common Law Direct Action Settlement Fund or the Claim Reserve following payment of all Qualifying Claims, the Administrator shall pay any and all outstanding expenses of the Common Law Direct Action Settlement Fund, including any fees and expenses of any Professionals retained by the Administrator, and shall thereafter distribute any remaining funds to all holders of Qualifying Claims on a pro rata basis. To the extent that the pro rata payment on any Qualifying Claim under this Section 9.2 is less than forty dollars (\$40.00), such amount shall be donated to The Mesothelioma Applied Research Foundation.

10. MISCELLANEOUS

10.1. **Amendments.** Subject to Section 3.1(b) herein, the Administrator may not amend, modify, delete or add to any provisions of these FDP without the prior approval of the Bankruptcy Court.

10.2. **Address Changes.** Notices, correspondence or motions to Persons asserting Claims shall be given at the address (electronic mail or otherwise) of such Claimant, or where applicable, such Claimant's legal representative or attorney, in each case as provided on such Claimant's Claim Form. To the extent that a Claimant (or such Claimant's legal representative or attorney) has any change in address, such Claimant shall provide the Administrator with the updated address information. Any notice, correspondence or motion delivered to the Claimant at the address (electronic mail or otherwise) specified on the Claim Form (or in correspondence to the Administrator if such address has changed) that is returned as undeliverable shall nonetheless be effective. The Administrator shall have no affirmative obligation to locate a Claimant (or such Claimant's legal representative or attorney) whose address changes from that set forth on the Claimant's Claim Form unless the Claimant has notified the Administrator of a change of the Claimant's address.

10.3. **Severability.** Should any provision contained in these FDP be determined to be unenforceable, such determination shall in no way limit or affect the enforceability and operative effect of any and all other provisions of these FDP; *provided, however*, that nothing contained herein shall be deemed to alter, amend or modify the terms, conditions, rights and obligations under the Common Law Settlement Agreement.

10.4. **Governing Law.** Administration and interpretation of these FDP shall be governed by, and construed in accordance with, the laws of the State of New York.

10.5. **Status of Submissions to Administrator as Settlement Materials.** All materials, records and information submitted by Claimants, including without limitation the

Claim Forms and the information required pursuant to Section 6.7 herein, are confidential, submitted solely for settlement purposes, are not admissible in any other legal proceedings under Rule 408 of the Federal Rules of Evidence and similar state rules of evidence, and are subject to the Common Law Settlement Order.

EXHIBIT 1
GENERAL RELEASE

Know That

1. I understand that the Common Law Direct Action Settlement Fund (referred to herein as the "FUND") was or will be established pursuant to the terms of the *Settlement Agreement* dated May 21, 2004 (including all of its attachments), as approved by the United States Bankruptcy Court for the Southern District of New York in *In re Johns-Manville Corp. et al.*, Nos. 82 B 11656, 82 B 11657, 82 B 11660, 82 B 11661, 82 B 11665 through 82 B 11673 inclusive, 82 B 11675, 82 B 11676.

2. Effective immediately upon (a) "TRAVELERS" (as defined below) payment to the FUND and (b) a determination by the Common Law Direct Action Settlement Fund Administrator of my right to receipt of a payment from the FUND, and without any further action, I hereby fully release, waive and discharge all rights or claims of any kind against the FUND, its trustees, directors, officers, agents, servants, employees, attorneys, successors and assigns.

3. Effective immediately upon (a) "TRAVELERS" payment to the FUND and (b) a determination by the Common Law Direct Action Settlement Fund Administrator of my right to receipt of a payment from the FUND, and without any further action, I hereby fully release and discharge TRAVELERS from any and all claims, actions, causes of action, suits, lawsuits, cross-complaints, counterclaims, affirmative defenses, writs, requests, demands, controversies, agreements, promises, understandings, settlements, liabilities, damages, liens, losses, costs, expenses, judgments, and executions whatsoever, whether known or unknown, asserted or unasserted, manifested or unmanifested, in law, admiralty, bankruptcy, equity or otherwise ("CLAIMS"), which against TRAVELERS I, my heirs, executors, administrators, successors and assigns hereafter can, shall or may have, from the beginning of the world to the date of this RELEASE, for, upon, or by reason of any matter, cause or thing whatsoever arising from or relating to, in whole or in part, exposure to asbestos, including but not limited to, CLAIMS for expressed and implied warranties, strict liability, negligence, statutory violations, gross negligence, intentional tort, nuisance, fraud, civil conspiracy, misrepresentation, actual damages, punitive and exemplary damages, personal injuries, bodily injury, illness, wrongful death, mental anguish, fear of bodily injury, illness or death, loss of consortium (including spousal, children's or parental consortium), loss of love, society and companionship, attorneys' fees, expenses, and common law or statutory penalties or recompense. This RELEASE further includes, but is not limited to, CLAIMS against TRAVELERS arising from or relating to, in whole or in part, exposure to asbestos: (i) in disclosing, failing to disclose, suppressing, misrepresenting, or conspiring with any "ENTITY" (as defined below) (including, but not limited to, Johns-Manville Corporation), to disclose or fail to disclose, suppress or misrepresent, or acting in concert with any ENTITY (including, but not limited to, Johns-Manville Corporation) to disclose or fail to disclose or suppress or misrepresent, any facts, information, knowledge or beliefs about asbestos or its hazardous properties; (ii) in the handling, defense, trial, appeal or settlement, or participation in the handling, defense, trial, appeal or settlement of any CLAIM arising from or relating to, in whole or in part, bodily injury or death proximately caused by exposure to asbestos asserted against any ENTITY (including, but not limited to, Johns-Manville Corporation); (iii) in surveys or loss prevention or control activities undertaken, or not undertaken, or allegedly undertaken or allegedly not undertaken by TRAVELERS with respect to any ENTITY (including, but not limited to, Johns-Manville Corporation) resulting in an alleged CLAIM arising from or relating to, in whole or in part, asbestos; or (iv) for what is commonly referred to as "bad faith" arising from or relating to, in whole or in part, asbestos and which includes, but is not limited to, CLAIMS that allege unfair competition, unfair or deceptive claims handling or trade practices, lack of good faith and fair dealing, actual or constructive fraud, and actual or constructive breach of fiduciary duty. Notwithstanding anything herein to the contrary, this RELEASE does not include CLAIMS for damages to real property as a result of the presence of asbestos in such real property.

4. This RELEASE is intended to be as broad and comprehensive as possible so that TRAVELERS shall never be liable, directly or indirectly, to me or to my beneficiaries, heirs, executors, administrators, successor, assigns, or any ENTITY claiming by, through, under or on behalf of me for any matter, cause or thing whatsoever, from the beginning of the world to the date of this RELEASE, arising from or relating, in whole or in part, to asbestos.

5. Whenever the text hereof requires the use of gender or singular number, such gender or number shall include the appropriate gender or plural number.

6. I acknowledge that I: (i) was represented by counsel in executing this RELEASE or had the opportunity to be, but elected not to be, represented by counsel in executing this RELEASE; (ii) if I was represented by counsel in executing this RELEASE, relied on the advice of counsel and on my own judgment, belief and knowledge of the damages, as well as the liability questions involved, in signing this RELEASE; (iii) relied on no written or oral promise, representation or communication of TRAVELERS in executing this RELEASE; (iv) understand that I am releasing conduct of TRAVELERS arising from or relating to, in whole or in part, asbestos with respect to policyholders other than Johns-Manville Corporation, the identity of which policyholders I may be unaware, and that I nevertheless voluntarily release TRAVELERS for such conduct; (v) understand that I may be waiving claims against TRAVELERS arising from or relating to, in whole or in part, asbestos that I presently am unaware of, including claims related to later acquired or manifested illnesses, diseases, bodily injury or personal injury, and voluntarily do so after advice of counsel and in full recognition and understanding that this RELEASE waives any benefit of state or federal statutes limiting the effect of releases (including without limitation California Civil Code § 1542, which provides that “A general release does not extend to the claims of which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor.”); (vi) expressly intend that when TRAVELERS makes its payment to the FUND and upon a determination by the Common Law Direct Action Settlement Fund Administrator of my right to receipt of a payment from the FUND, that right to payment to me from the FUND will be full and complete satisfaction for all my CLAIMS against TRAVELERS arising from or relating to, in whole or in part, asbestos released herein, as described above; and (vii) expressly intend that when I receive a payment from the FUND, I accept that payment in full and complete satisfaction for all of my remaining CLAIMS against the FUND released herein.

7. This RELEASE may not be changed orally. Subject to the provisions of Paragraph 2, above, this RELEASE IS FINAL, and non-revocable regardless of any court ruling in the future.

8. The term TRAVELERS means: The Travelers Indemnity Company, Travelers Casualty and Surety Company, Travelers Property Casualty Corp., Citigroup Inc., The Travelers Insurance Company, Travelers Life and Annuity Company, and each of their respective direct or indirect parents, subsidiaries and sister companies (*i.e.*, ENTITIES that are directly or indirectly owned or controlled by a common parent or holding company), as well as each of their respective predecessors, successors, assigns, officers and directors (for purposes of this definition, all of the ENTITIES described above are collectively referred to as the “Released Parties”). “Travelers” shall also include future parents, subsidiaries and sister companies of the Released Parties (or successors of any of the foregoing), provided, however, that nothing in this RELEASE shall be construed to release The St. Paul Companies (as constituted prior to April 1, 2004) or any company first acquiring, acquired by or merging with any of the Released Parties on or after May 21, 2004 from any liability for such Entity’s own conduct and not for conduct relating to or arising from acts, omissions, conduct or issuance of insurance by the Released Parties. “Travelers” shall also include past parents, subsidiaries or sister companies of any of the Released Parties (or successors of any of the foregoing), provided, however that nothing in this RELEASE shall be construed to release any such past parent, subsidiary or sister company that no longer is a parent, subsidiary or sister company of any of the Released Parties as of May 21, 2004 for its own conduct after its ownership of or by or affiliation with any of the Released Parties ended and not relating to or arising from acts, omissions, conduct or issuance of insurance by any of the Released Parties. By way of example, “Travelers” shall not include Aetna Inc., or any of its predecessors in interest, for their own conduct post-dating April 1996 relating to or arising from acts, omissions, conduct or issuance of insurance and not relating to or arising from acts, omissions, conduct or issuance of insurance by any of the Released Parties.

9. The term ENTITY means any natural or legal entity or person, including but not limited to an individual, a corporation, a partnership, an association, a trust, a joint venture, a union, any other entity or organization, and any federal, state or local government or any governmental or quasi-governmental body or political subdivision or any agency, department, board or instrumentality thereof.
